AFFIDAVIT OF ATTORNEY FEES

STATE OF MISSISSIPPI §

COUNTY OF LAFAYETTE §

This day personally appeared before me, the undersigned authority at law in and for the aforesaid jurisdiction, the within named M. Reed Martz, who, after being duly sworn under the penalty of perjury, states upon his oath as follows:

1. I am an attorney-at-law duly admitted to practice before the courts of this State. In this matter I represent the Plaintiff, Summit Management Services, LLC.
2. I billed my client an hourly rate of \$150.00 in this matter. The work I performed on behalf of my client includes: counseling with client about its options to collect the debt; drafting the complaint; ensuring proper service of process; drafting documents for and obtaining an entry of default; and preparation of the instant hearing and supporting documents.
3. The total attorney fees of \$2,425.00 are reasonable taking into account the time and labor required, the novelty and difficulty of the questions involved, and the skill requisite to perform the legal service properly; the likelihood that the acceptance of this particular employment would preclude other employment; the fees customarily charged in this locality for similar legal services; the amount involved and the results obtained; the time limitations imposed by the client and/or by the circumstances; the nature and length of my professional relationship with the client; and my experience, reputation, and ability.
4. The Plaintiff has incurred mailing and copy charges of \$5.25.

5. The filing fee imposed by the Court was \$157.50. The service of process fee was \$155.00, constituting two separate service attempts due to the bifurcated nature of the eviction and damages request. Counsel also had numerous interactions with the Defendant who threatened a counterclaim and made numerous social media posts about Plaintiff and Plaintiff's counsel. Plaintiff's counsel had to resort to monitoring Defendant on Facebook not only to discover and document these posts but to locate Defendant for service of process after Defendant broke his pledge to cooperate in service of the suit. Counsel had to address whether to dismiss the co-defendant and to send preservation letters to the Defendant regarding his public statements. Counsel also had to document Defendant's activities in expectation of defending Defendant's counterclaim for alleged damages as set forth in a demand letter and in video posts.

6. Further affiant sayeth not.
