DESIGNATION OF RECORD FOR APPEAL TO MISSISSIPPI SUPREME COURT

Comes now the Appellant Matthew Reardon and files his designation of records to be transmitted to the

Mississippi Supreme Court and would state unto this court the following items to wit:

- 1) All filings and findings of fact by this court to include the prosecution in LK17-295
- 2) All affidavits to include search warrants that were produced as a result of such affidavits
- 3) The names of all state agencies including names and badge numbers of each officer who acted under color of law, federal agencies including names and badge numbers of each officer who acted under color of law, any and all elected or appointed officials, and state and/or federal employees whom the state relied on or utilized prior to initiating the criminal cause, during the process of the criminal cause, and in the post-conviction period of the criminal cause leading up to this notice of appeal being filed.
- 4) The Transcript of proceeding on July 6, 2017 as well as the transcript of the proceeding on February 2018 when this petitioner's involuntary plea was involuntarily altered after original plea once again

under the fear tactics instigated and brought about by what the plaintiff will show as prosecutorial misconduct committed on behalf Assistant District Attorney Mickey Mallette

- 5) Any Police/Incident/Investigation Report made about Matt/Matthew Reardon from 2014 until current along with any internal reports created.
- 6) All unlawfully/illegally obtained evidence which includes but is not limited to: Any information from the at the time current Facebook account reardonmarketingfirm@gmail.com and email address reardonmarketingfirm@gmail.com
- 7) Any and All court filings and motions entered in cause numbers LK17-295, L17-233, and L20-316
- 8) Information that has long since been requested and fraudulently concealed by the defendant in regards to the May 24 2017 phone call received by Deputy Jarrett Bundren as defendant admitted to the information given on that phone call stemming the investigation and warrant. Despite all attempts to obtain such crucial and relevant information including moving this trial court to compel and moving this trial court to preserve said matter among all other information in this cause, defendant has denied and even referenced to the plaintiff's request and preservation of such information as MOOT which plaintiff states for the record only makes him desire to obtain such information that much greater.
- 9) Certified Copy of the docket entries prepared by the clerk of the trial court
