and deposed, says the following to be true and correct to the best of my knowledge and belief:

Matthew Beardon is a person I allege to be in need of treatment by outpatient or inpatient commitment. To my knowledge this person DOES / DOES NOT (circle one) reside or have visitation rights with a minor child or children. Their nearest relative, if known, is _____, who resides at _____, telephone number _____.

I allege the person to be in need of treatment because the person is mentally ill under law and poses a likelihood of physical harm to themselves or others as demonstrated by (mark as many as may apply) ☒ a recent attempt or threat to physically harm themselves or others and/or ☒ a failure and inability to provide necessary food, clothing, shelter, safety, or medical care to themselves as a result of the impairment and/or _____ based on treatment history or other relevant evidence, this person is in need of treatment to prevent further disability or deterioration which will predictably result in dangerousness to themselves or others when their current mental illness limits or negates their ability to make an informed decision to seek or comply with recommended treatment. To my knowledge the recent behavior described herein is not caused by any of the following: epilepsy; intellectual disability; brief periods of intoxication, dependence upon or addiction to alcohol or drugs; or senile dementia.

Factual descriptions of recent behavior, witnesses, and where and when it occurred, if known:

go into public places recording people parinoid and delusional
prodding people with his mirror child, not taking meds
and not getting medical help (attach additional pages if needed)

I HAVE HAVE NOT (circle one) consulted with a Community Mental Health Center or a physician to determine whether the alleged acts by the proposed respondent warrant civil commitment in lieu of other less-restrictive treatment options.
