

Name: REARDON, MATTHEW

Case: 81080875

AFFIDAVIT OF NON COMPLIANCE		FILED
WITH OUTPATIENT COMMITMENT FOR MENTAL ILLNESS		STATE OF MISSISSIPPI LAFAYETTE COUNTY
Cause Number: 2021-691(L)		
State of Mississippi		2022 FEB 10 P 2:32
County of: LAFAYETTE		
Having received a commitment order directing outpatient treatment of REARDON, MATTHEW issued by the Chancery Court of LAFAYETTE County of LAFAYETTE, we have made a diligent effort to provide the necessary treatment to this patient.		
The patient, however, has failed or refused to comply with treatment recommendations. Such noncompliance has included: Matthew Reardon was scheduled for an intake appointment January 6, 2022 at 9:00 A.M. He called at 4:05 P.M. on January 5, 2022 to request that his appointment be rescheduled. I called him on January 6, 2022 and left a voicemail with my contact information. Mr. Reardon called me on January 7, 2022 and rescheduled his intake for January 12, 2022 at 1:00 P.M. On January 11, 2022, Mr. Reardon called to cancel his intake appointment scheduled for January 12, 2022 at 1:00 P.M. He requested an appointment on a day I was in an all-day training. I offered him a few options for 1/20/2022 and 1/21/2022. He told me he would talk with his wife and call me back to reschedule. He did not call back to reschedule. Mr. Reardon called on January 31, 2022 asking for the Executive Director. I identified myself and asked if he wanted to reschedule his intake appointment. He said not at this time. He stated what he wanted to talk to the Executive Director. I told him I would relay his message. On February 2, 2022, I called Mr. Reardon. He did not answer. I left a voicemail stating that I gave his message to the Executive Director and, per policy, his request needs to be specific and in writing. As of this date, he has not contacted me to reschedule his intake.		
As required by law, we have made all reasonable efforts to solicit the patient's compliance and have documented these efforts in our medical records.		
We now, therefore, document these efforts and the patient's non compliance with the Chancery Court of LAFAYETTE County and recommend that the patient be committed to Mississippi State Hospital
