United States District Court
Northern District of Mississippi

State of Mississippi Et Al

Motion For Sanctions on State of Mississippi, Lafayette County,
and Joseph B East under FRCP Rule 11(c)(2)

Comes Now the Plaintiff, Matthew O. Reardon whom
hereby respectfully moves this Court to grant his Motion
for Sanctions to be issued against The State of Mississippi,
Lafayette County, and Joseph B East pursuant to FRCP Rule 11(c)(2).
In support of his Motion, Plaintiff offers up the following Reasons:

These named Defendants were fully aware of the Litigation Filed
in this Court which was ordered to be served on each Defendant
on or around June 7, 2022 via the US Marshalls office. The
Retaliatory criminal charge will be addressed and handled separately
from this Motion, however, it was the egregious actions by these
Defendants whom knowingly concocted a Plan to deny Plaintiff
Due Process and a fair hearing to prove his innocence on a scheme to
Bait Plaintiff and ultimately entrap him based upon him following
the lawful instruction of Law Enforcement in order to ^{then} enforce the
provisions of the Banishment prescribed by the State of Mississippi and
Lafayette County. These Defendants knew exactly what they were
doing. They knew the rights they were depriving. They had absolutely
no doubt they were falsely Imprisoning, and they Almost got
away with derailing this Lawsuit and diminishing their liability.

Plaintiff Prays this Court sanction these Defendants for their Actions
to the fullest extent and Maximum allowable under law.

So Submitted this 3rd Day of March 2023
